- Consider a request for an Advisory Opinion on whether the current City of Brownwood Plumbing Code Sec. 78-212.b.i (repeated below) should be retained as is or modified to exempt the work from any permitting requirement.

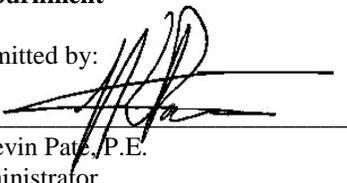

Sec. 78-212. - Local amendments to the International Plumbing Code. The following sections of the International Plumbing Code adopted by reference in section 78-211 are hereby revised as follows:

b. Section 106 - Permits:

i. Add "106.1.1 - Water Supply Pipe Repair. A no-cost permit shall be required for the repair of a residential water supply pipe ("yard line") up to a maximum of 3 foot in length and no larger than 2-inch in diameter from property line to the residential structure water distribution system inlet. The repair will not normally require an inspection unless the Plumbing Inspector determines such is necessary to ensure the public health and safety."
