

City of Brownwood

Dear Resident,

Collection begins at 7 a.m. Please have your cart placed curbside by or before this time to allow for schedule change and backup drivers running route differently.

Time is of the essence and in order to service the needs of **each** resident the drivers are *not* permitted to exit the vehicles during their daily route or to come onto private property to collect items; please take this and the following rules into consideration or it will be the next scheduled pickup day before we can return.

1. Bag it up. Bagged trash prevents litter.
2. Place cart at the curb or edge of street the night before or by 7 a.m. the day of collection.
3. Keep the cart four feet away from obstacles such as neighboring carts, mailboxes, fences, poles, cars, etc...
4. Avoid placing cart under low hanging power lines or near guide wires.
5. Place all waste inside cart, the lid must close; any waste on ground outside cart will not be picked-up.
6. Cart must face the street, handle and wheels facing the residence, as illustrated in the picture.

Collection days may vary due to Holidays. Please refer to your holiday schedule delivered with your cart, or visit us on our website at <http://www.brownwoodtexas.gov/418/Residential-Garbage-Collection> to see the holiday waste collection schedule.
