

City of Brownwood

Dear Resident,

Collection begins at 7 a.m.

Please remove carts from the street by 7:00 pm for safety purposes.

*Time is of the essence and in order to service the needs of **each** resident the drivers are not permitted to exit the vehicles during their daily route or to come onto private property to collect items; please take this and the following rules into consideration or it will be the next scheduled pickup day before we can return.*

1. Bag it up. Bagged trash prevents litter.
2. Place cart at the curb or edge of street the night before or by 7 a.m. the day of collection.
3. **Keep the cart four feet away from obstacles such as neighboring carts, mailboxes, fences, poles, cars...**
4. Avoid placing cart under low hanging branches, power lines or near guide wires.
5. Place all waste inside cart, the lid must close; any waste on ground outside cart will not be picked-up.
6. **Cart must face the street, handle and wheels facing the residence, as illustrated in the picture.**

A second roll-out cart may be obtained at a discounted monthly rate.

Call utility billing at 325-646-9700 for details and to schedule delivery of a second cart.
